

CHECK-IN INFORMATION

OAKS NORTH CONDO

LOCATION

The address of the condo is 17453 Plaza Animado #140, San Diego, CA 92128. Click [here](#) to see a map.

PARKING

The condo has one parking spot, which is in the middle spot of a carport to the left of the condo building, marked with the number 140. Additional cars can be parked on the street as space permits.

ACCESS CODE AND KEYS

The front door of the condo has a combination lock. To open the front door, you will need your access code, which was sent to you in a separate email. Press all the digits in your access code followed by the pound sign (#). You will then hear a beep, and you then can open the front door and enter the condo. Click [here](#) to see a short video showing how to do this.

After you enter the condo, you will find two sets of keys on the kitchen table. Each set contains the following keys:

- A key to the front door, which you can use as an alternate way of entering the condo.
- A key to the storage room.
- A key to the mailbox.

STORAGE ROOM

The storage room is located in the building behind the carport. You are welcome to use the storage unit to store your own items. For example, you might find it convenient to store outdoor equipment (such as golfing equipment) in the storage room.

TRASH CONTAINERS

The trash containers are located in the carport building.

MAILBOX

The mailboxes are located in the condo cul-de-sac. The mailbox for the condo is #8.

WIRELESS INTERNET

The condo is equipped with wireless Internet. The name of the network is "DonnaS" and the key is "5126998406". The modem for the wireless Internet is in the den, behind the TV.

TELEPHONE

The telephone service provides for unlimited long distance calls in the US. The telephone base unit is in the den. A wireless telephone handset is in the guest bedroom. The telephone number is 858-432-4126.

ENTERTAINMENT EQUIPMENT IN THE LIVING ROOM

The living room contains:

- TV (46" Westinghouse) with remote
- Sound Bar (Samsung Crystal Surround Air Track) and Subwoofer speaker with remote
- Cable Box (Spectrum) with remote

NOTE: The living room might also have a Roku remote, but this is currently disconnected.

To watch a cable TV station:

1. If you have not already done so, use the TV remote to turn on the TV and make sure the mode is set to HDMI1. After about 7 seconds, you will see the W (Westinghouse) logo on the TV screen.
2. Use the Cable Box remote to turn on the Cable Box and select the cable TV channel.
3. For sound, you can use the TV volume, the Sound Bar volume, or both.
 - To adjust the TV volume: use the volume buttons on either the TV remote or Cable Box remote.
 - To adjust the Sound Bar volume: Use the "VOLUME" (not "TV VOL") buttons on the Sound Bar remote. (If the Sound Bar is not turned on, use the Sound Bar remote to turn on the Sound Bar and then make sure the Sound Bar mode is set to "D.IN.")

ENTERTAINMENT EQUIPMENT IN THE DEN

The den contains:

- TV (43" Sharp Roku TV) with remote
- DVD Player & Blu-Ray Disc Player (Samsung) with remote
- Receiver (Onkyo) with remote
- Cable Box (Spectrum HD) with remote

The receiver is connected to the speakers in the den and also to two speakers in the living room. You can use the speaker switches on the receiver to get the sound in the den only, living room only, or both. There are some DVDs in the hall closet.

To watch a cable TV channel:

1. If you have not already done so, use the TV remote to turn on the TV and select CABLE BOX.
2. Use the Cable remote to turn on the Cable Box and select the cable TV channel.
3. For sound, you can use the TV volume, the receiver volume, or both. To use the receiver volume, turn on the receiver and select the VIDEO 1 button of the receiver.

To watch a Roku station:

1. Use the TV remote to turn on the TV and select one of the pre-installed Roku channels (such as the pre-installed NETFLIX channel).
2. For sound, you can use the TV volume, the receiver volume, or both. To use the receiver volume, turn on the receiver and select the VIDEO 1 button of the receiver.

To watch a DVD or a blu-ray disc, or to listen to a CD:

1. Turn on the TV and select DVD PLAYER.
2. Open the door to the DVD Player and insert the DVD, blu-ray disc, or CD.
3. Use the DVD Player remote to play the DVD, the blu-ray disc, or the CD.
4. For sound, turn on the receiver and select the DVD button on the receiver.

TV IN THE MASTER BEDROOM

The master bedroom contains:

- TV (32" Samsung LED TV Series 45) with remote.
- Roku Box (below the TV screen) with remote.

To power up the TV and control the volume, use the TV remote. To select and control the Roku stations, use the Roku remote.
